Sequoia & Kings Canyon National Parks Wilderness Permit Reservation Instructions

Step 1: Fill out the application form

Write clearly, boldly, and stay within the borders of the form. Fill out completely. If information is **not** legible, the Wilderness Office will need to contact you delaying the application process and risking your opportunities for your first choice. Include a good day time phone number. Be sure to sign the form.

Step 2: Include pre-payment with your application form

Applications must include pre-payment of the \$15.00 wilderness camping fee. This fee is the same for all reservations, regardless of the group size or the trip length. Payment may be made by credit card (VISA or MC only) or by check/money order payable to the "National Park Service." The \$15.00 wilderness camping fee prepaid during the reservation process is not refundable, not transferable to other parties or future years, and not for re-sale. If you are unsuccessful in obtaining a reservation, you will be contacted and your credit card will not be charged or your check/money order will be returned or destroyed.

Step 3: Submit your wilderness permit reservation application

Applications are only accepted by mail or by fax. Mail to: Sequoia & Kings Canyon National Parks, Wilderness Office, 47050 Generals Hwy # 60, Three Rivers, CA 93271. Fax to: (559) 565-4239. Applications will not be processed over the phone or email. Submit **only one** application per group per trip. Duplicate applications (different members of the group for the same trip) may result in duplicate, non-refundable charges. Separate trips must be on separate applications with payment for each application. *Please*, do not fax the same application multiple times.

Step 4: The Wilderness Office processes your application

Application requests will be processed in the order they are received. No preference is given to one method of submission over another. A lottery system is not used.

Step 5: The Wilderness Office confirms the status of your reservation by mail

All requests will receive a written response. Allow up to two weeks to receive your confirmation letter in the mail. Please **thoroughly** read the confirmation letter. After your reservation has been processed, one change (such as adding people, different entry date, or different entry trail) may be made without additional cost. Any additional changes will incur a \$10 processing fee. Changes that add people, enter on a different trail, or enter on a different date must be made with one week of the start date you have already reserved. Changes that reduce the number of people in your group will be accepted at any time and never incur the processing fee.

Step 6: If necessary, make arrangements for a late pick-up of your wilderness permit

If you will be picking up your wilderness permit after 9 a.m. on the morning of your departure, you must notify the Wilderness Office by phone before the day of your trip or by 8:30am the day of your trip. Reserved spots in the quota with no late pick-up arrangements will be given away on a first-come, first-serve basis to those people physically waiting in line.

Step 7: Bring your confirmation letter to pick up your wilderness permit at the visitor center or permit station closest to the trailhead

Your confirmation letter is NOT a wilderness permit and is not sufficient for overnight travel. You must pick up your actual wilderness permit at the visitor center or permit station closest to the trailhead on the afternoon before or by 9 a.m. on the morning of departure. Your confirmation letter will specify this visitor center or permit station where you must pick up your wilderness permit and detail its usual operating hours (which are subject to change due to emergencies or staffing reductions after the Labor Day holiday). If you come prepared with your estimated itinerary, you will greatly speed up the process of issuing your wilderness permit.

Other Information for Reservations and Wilderness Permits Issued by Sequoia & Kings Canyon National Parks

Permits are required year-round for all overnight wilderness trips. Daily entry trail quotas are in place from the Friday before Memorial Day through late September. Outside the quota period, permits are obtained on a self-issue basis at visitor centers or permit stations. Permits are not required for day hikes (except for Mount Whitney from the Whitney Portal trailhead near Lone Pine on the Inyo National Forest). The Lakes Trail is the only trail for which reservations are not accepted.

Your entire group must enter the **wilderness** on the **entry date** and **entry trail** specified in the confirmation letter. Each party must travel together throughout the trip. The maximum group size is 15 people and 20 head of stock. Parties with separate permits but sharing the same affiliation (school, church, club, scout group, family, friends, etc., or any combination thereof) may not travel or camp within ½ mile of each other if the total number of people exceeds 15.

For more wilderness information, including specific restrictions and requirements related to camping, campfires and portable food-storage canisters, you may contact the Wilderness Office at (559) 565-3766 or visit our website at www.nps.gov/seki/planyourvisit/wilderness.htm. **Have a great trip!**
